

# Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards Lead Warning Statement

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Residents must also receive a federally approved pamphlet on lead poisoning prevention.
